Company Profile

Our journey began with high Quality processing and manufacturing in 1950 under the brand name of KESHERDEO & Co. and SUJATA TEXTILE MILLS. With decades of quality experience, we started exporting readymade cotton knitted garments globally under the brand name of R.S.D. FASHIONS.

We manufacture & export 100% COTTON KNITTED HOSIERY / POPLIN / FLANNEL Readymade Garments from INDIA. We have a capacity to produce 200,000 pieces per month at our facility at Tirupur.

Our diverse product range includes men's, ladies & children's t-shirts, knitted nightwear, pajamas, polo t-shirts, short sets, singlets, pullovers, underwear, etc., in various types of colours, prints & embroideries.

Our garments are available in countries like Germany, Spain, Italy, France, Croatia, Czech Republic, Serbia, Ukraine, Russia etc.

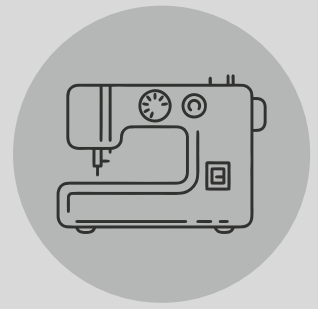

Today R. S. D. FASHIONS a Govt. Recognised Star Export House is not just seen as a vendor but also as a partner. Our this approach has knotted a long term relationship. We believe in offering pro-active customer service with time and quality in mind.

Infrastructure

Printing Section

Our Printing unit is facilitated with Conventional, Rotary, Reactive Discharge and Multi colour chest printing. The Rotary printing machine produces 2500 Kgs/day. The Garment chest printing machine produces 10000 pcs/day.

Embroidery Section

We have a splendid range of embroidery to suit any styles, any garments as you have an option to choose from a wide range, designs & colours which are fully computer aided, fully automatic machines which enable the most rare embroideries upto 12 colours & applique work.

Cutting Section

Cutting is the main phase in garment making. A Garment can't be made without cutting. In our firm cutting is done by the persons who are perfectly skilled and keeping in mind. We have modern hand cutter and pattern cutting machines.

Infrastructure

Stitching Section

For stitching of garments we have 200 machines. The over lock and flat lock machines are from Pegasus-Japan and lock stitch are from Juki-Japan. All the machines are fixed with auto thread trimming and dust collection.

Checking Section

The finished garment is then subject to a thorough check by skilled supervisors, even the smallest defect is not overlooked.

Ironing Section

As this is the final figuring of a Garment, we take maximum care. We have a experienced team of checkers who under go checking in three stages. Initial / middle & Final. There are three filters to filter the garment before it reaches the Ironing Division.

Packing Section

We buy our Packing Materials from leading suppliers and professional providers to Garment Exporters. We use only Oeko Tex certified labels produced from fully computerized labeling machines.
